Delivery method:

This course is run as a blend of online learning and face-to-face training.

Pre-course work:

Online/self-paced training (approximately 3-5 hours depending on the individual student and their personal circumstances and other commitments). This training involves reading through modules and passing a final exam. Online training **must** be completed prior to the face-to-face training.

Face-to-face work:

1 day classroom (9 hours). Your trainer will revise content, and you will be required to participate in case scenarios and activities that test your practical skills. You will also complete a closed book exam.

For students who are unable to start at 8:00 am, you have the option of completing the crowd control portion of the course (11am-5pm approximately) on the scheduled date and scheduling your first aid with us to be completed on a different day. Please note that you will not receive your statement of attainment until both the crowd control and first aid portions of the course are completed.

Fees and charges:

\$295

Fees include all assessments and resources required in the classroom and online training.

Recognition of prior learning: Due to licensing requirements RPL is not offered for this statement of attainment.
